The Council discussed the in principle decision made in the meeting on 5 May. It was noted that with the current in principle decision, LAT holders are benefiting from the savings found by the Teaching Council, rather than it being shared across the profession. [REDACTED]

[REDACTED]

A significant discussion was held around re-consulting with the profession on the option to reduce the levy for LAT holders based on the functions they benefit from. The Council noted the importance of any re-consultation being as brief, clear, and up front as possible.

Pip Woodward left the meeting at 8.40am

The Council noted that re-consultation would also address other issues brought up in the feedback such as the timing of the initial consultation and teachers not having sufficient time to participate.
